Cells / Breakaway Capsules / Rope Deflectors

Note: The VDBC will not allow any boat below 8 sec to race unless your boat is fitted with a cell or breakaway capsule, the safety and compliance is the boat owners responsibility to ensure it complies with relevant rules as applicable. It must also pass the diver inspection and relevant air fittings as per the rule book. If your fittings are incorrect you will need to obtain the correct fittings before been allowed to race. This is your responsibility.

All Boats are to be fitted with a rope deflector, without one you cannot race.

Note: It is highly recommended to be a member of Ambulance Victoria
